

ENVIRONMENTAL POLICY

Our Commitment

At Beet, we recognise our responsibility to protect the environment and minimise our ecological footprint. We are committed to promoting sustainability in all aspects of our operations, from energy use and waste management to teaching practices and community engagement.

Policy Objectives

1. Reduce Energy Consumption

- Use energy-efficient lighting and appliances.
- Encourage staff and students to turn off lights, computers, and heating when not in use.
- Consider renewable energy sources where feasible.

2. Minimise Waste & Promote Recycling

- Implement a robust recycling system for paper, plastic, glass, and other materials.
- Reduce paper usage by promoting digital resources and double-sided printing.
- Avoid single-use plastics and encourage reusable containers.

3. Sustainable Procurement

- Source eco-friendly and recycled materials for school supplies.
- Support local suppliers to reduce carbon emissions from transportation.
- Choose sustainable products, such as biodegradable cleaning supplies.

4. Encourage Green Travel

- Promote walking, cycling, and public transport for staff and students.
- Provide bike storage facilities and information on local transport options.
- Minimise unnecessary travel by using virtual meetings where possible.

5. Environmental Education & Awareness

- Integrate sustainability topics into lessons where relevant.
- Organise workshops or events to raise awareness about environmental issues.
- Encourage students and staff to adopt eco-friendly habits.

6. Continuous Improvement

- Regularly review and update our environmental policies.
- Set measurable targets for reducing waste, energy use, and carbon emissions.
- Seek feedback from staff, students, and the community to improve sustainability efforts.

Responsibility & Implementation

- The school's management team will oversee the implementation of this policy.
- All staff and students are encouraged to contribute ideas and participate in green initiatives.
- Progress will be reviewed annually to ensure continuous improvement.
